## WINNIE'S VAMPIRE PUNCH

### Ingredients (per glass)

1/2 cup V8 Splash- Acai Berry flavor  
2 ounces grenadine  
1/2 cup club soda  
1 licorice whip for the straw

### Instructions

1. Combine all ingredients in glass - serve cold but without ice.
2. You could make this by the punch bowl full but using several bottles of each ingredient & mixing.
3. Keep well chilled. This tastes best very cold. Using dry ice is not recommended.
